Bi-Weekly Service Not Approved SAN FRANCISCO, March 12. — The Luckenback Steamship Co. of New York, the successors to the defunct irm of Bates & Chesebrough, may not eight steamers on the San Francisplanned. . Edgar F. Luckenback, the esident of the company, left for New weeks in this city looking over the sit. nation. Before his arrival it was tenely planned by Vice-President Thakara and Lewis Luckenback, a member of the firm, who have been here for the last four months, to inaugurate a bi-weekly service between this port and Panama. It was expected that President Luckenback would

He returned to the east, however, without doing this, and Lewis Luck. enback, in a statement at the St. Francis Hotel last night, said their plans for the future depended entirely upon the amount of business handled.

approve this plan while in San Fran-

President Luckenback's failure to approve the plans to bring two more steamers around from the Atlantic fleet was due to the fact that the freighter Pleiades, the second steamer to be dispatched from this port, left last week with a cargo 1000 tons short of her capacity. It was intimated by Lewis Luckenback that the company would not engage in any rate war.

"Whether we bring any more ships for the San Francisco-Panama run depends entirely upon subsequent events, he said. "We are not going to lose \$700 a day, as Bates & Chesebrough did. of that \$20,000, and Holstein is conniving with him," hotly declared Irwin. "He is pulling all his wires now, getting his backers on Hawaii to work with him. Other messages similar to that received by Holstein have come Island. I got one this morning. What right has Manager Watt of Olaa butting into this. It's none of his affair. Breckons is trying to browbeat his

"We are not opposed to the investiation of Hawaii county affairs. We want the inquiry, and we want it to go to the bottom of the matter. We are fighting for a principle. We oppose two things: one is the assump tion of the expense by Hawaii county proposed commission to hold its hearings and bring all its witnesses to Honolulu, if it so desires.

"As to the latter proposition, we believe all the hearings should be held entirely on the Big Island.

Ewaliko's Hand Seen. "I know the county supervisors are willing the county should shoulder the financial burden. But I'm entitled to SAN FRANCISCO — Sailed, March 25, 2:20 p. m., S. S. Sierra, for Honolulu.

NEWCASTLE, Aus. — Sailed, March 25, alone. Look here," and after some searching among their effects Representatives Lyman and Kupihea managed to find a wireless and a letter from Supervisor David Ewallko. The hold up Senate Bill No. 78 until Monday if possible, stating that detailed instruction would arrive by the earliest mail.

The letter, which came a few days later, stated briefly the two main points in the bill to which Dr. Irwin objects, as mentioned above. It said something to the effect that by fighting for amendments on these points the measure might be "still further delayed." Just why delay should be desired was not explained in the com-Breckons' little game."

"Why should Hawail county spend \$20,000, virtually for nothing?" queried Lyman. "Let the territory nay. We passed, only yesterday, a bill to pay something more than \$1600 for the savings of many months, and an the expense of bringing back that Chiamount quictly treasured with a view nese embezzler from Japan.
